## SAMPLE CHILD SAFETY INCIDENT AFTER-ACTION REPORT

This form is intended to collect information about incidents in violation of the (Name of YSO) Policies and Procedures for child and youth safety, boundary violations, disclosures of abuse, child/youth safety concerns or other behaviors or allegations of behavior that led to the suspicion that a child/youth in our care was being or was in danger of being harmed. The information in this report will be used in the ongoing analysis of our policies, training, and responsibilities to keep our children and youth safe. As such, the children or youth that are the subject(s) of the information do not need to be identified by name.

**NOTE:** This form is for statistical analysis only and does not substitute for an individual's responsibility to report incidents of suspected child abuse or neglect to (Organization name) or to DCF.
